This Annual Report covers the program activities and finances for the Educational Enrichment Foundation for the period beginning June 30, 2008 and ending June 30, 2009. Transparency and fiscal accountability are extremely important at EEF and EEF's Board of Directors has annually conducted an independent audit of the organization's financial records and program activities since its inception in 1983. These annual audits provide the verified content basis for each Annual Report. The completion of a full audit sometimes takes much longer than anticipated and here we present you the Annual Report for FY08-09 based on an independent audit completed in the spring of 2010 by DeVries CPAs of Arizona, P.C. Early this August DeVries will begin their audit of EEF's 2009-2010 fiscal year and within just a few months you will receive the Annual Report for the 2009-2010 fiscal year. As you will see when we issue our Annual Report for FY09-10, EEF is back on track after a very economically challenging year for our nation, region, and local community.

Your ongoing support of EEF's vital work for students, teachers, and school sites within TUSD is greatly appreciated. By providing the funding for EEF to award college scholarships, classroom project grants, interscholastic scholarships, new shoes, prescription eyeglasses, school uniforms, and much more, YOU have enriched and enhanced the educations of thousands of children in Tucson and made the highest quality of public education a possibility for all students in TUSD. Thank you!
