

Eligibility Guidelines for Educational Enrichment Foundation's Shoe Shopping Days

- EEF Shoe Shopping Days are regularly held three times each school year - at the beginning of the school year (August/September), during the holiday season (December/January) and in the spring (March/April).
- EEF's Shoe Shopping Days are open to all financially eligible, in-need students (preK-12th grade) at all TUSD school sites. Each TUSD school may apply for up to four students to participate in each round of Shoe Shopping, unless otherwise notified by EEF.
- An authorized TUSD representative is the **ONLY** person who can bring students to an EEF Shoe Shopping Party.
- EEF sends out notifications about upcoming Shoe Shopping Parties via email to appropriate TUSD school site contacts several weeks before the scheduled party dates and application deadlines.
- A Shoe Shopping Application, signed by both the student's parent/guardian and the authorized TUSD school representative (e.g. Principal, Community Representative, Learning Support Coordinator, Social Worker, Family Liaison, Nurse, Health Assistant, Counselor, etc.), must be submitted for each participating student. Please submit this application to EEF by fax (325-8579) at least **ONE WEEK PRIOR** to the scheduled Shoe Shopping Party.
- Participating students must be eligible for free/reduced lunch in order to be eligible for EEF's Shoe Shopping Program (please refer to the USDA Child Nutrition Program Income Guidelines provided by the TUSD Food Services Department). If eligibility is in question or special circumstances are present, please contact EEF directly. Exceptions are made on a case by case basis by EEF's Executive Director.
- Eligible students may attend one EEF Shoe Shopping Day per school year, though exceptions may be requested by contacting EEF's Executive Director.
- Each participant will receive one pair of shoes and a three pairs of socks.
- If demand on a particular Shoe Shopping Event exceeds currently available funding, your eligible eligible student will be given priority for the next scheduled Shoe Shopping Day.
