Adopt-A-Student-Athlete Form

EEF Interscholastic Assistance Program

Remember when you were involved in a school-sponsored club or activity that made your educational experience so much richer? Where else but a club, band or sport did you learn as much leadership, personal discipline and teamwork? Where would you be today if you didn't have that opportunity?

Help us help another young person gain that same positive experience. Please consider sponsoring an under-privileged student to participate in interscholastic activities, like:

Fall, Winter & Spring Activities

Academic Decathlon DECA		
AIASA	Mock Trial	JROTC
Athletics	Music	Shakespeare
Chess	(Band, Orchestra, Choir)	Speech/Debate
Dance		Theater (Drama)
