What: **Tucson Federal Credit Union/Pima Community College Foundation  
“Moving Forward Scholarship”**

Who Benefits: **TUCSON**

**Through collaboration between the Tucson Federal Credit Union and Pima Community College Foundation, 10 Tucson Unified School District seniors will have the opportunity to receive \$1,000 scholarships to begin their post secondary education. This is an example of how Tucson’s education and business community can partner to open the door to a bright future for our high school students and at the same time play a significant role in providing an educated work force for our Tucson business and professional community.**

Pima Community College Foundation will provide 10, \$500 scholarships and TFCU will match that amount making it possible for the Educational Enrichment Foundation (EEF) to offer 10, \$1,000 Moving Forward Scholarships to TUSD seniors wishing to continue their education after high school graduation. Awards will be made for the term beginning August 2006. The Moving Forward Scholarship is for students who have overcome adversity, have a strong motivation to continue their education and who would not have the opportunity to attend college without financial assistance. Application forms are available at TUSD High Schools and are due at the Educational Enrichment Foundation, 3809 E. Third Street, Tucson, AZ 85716, by 3:00 PM, March 17, 2006.

EEF also has several other scholarships available to TUSD students – Raytheon Excellence in Education, The Southwestern Foundation for Education and Historical Preservation, Funk/Cordell Education Fund and the Jose Marquez Vail Award. All applications are available at TUSD High Schools, at the EEF office and on the EEF website – [tUSD.k12.az.us](http://tUSD.k12.az.us) – EEF link.

The Educational Enrichment Foundation is a nonprofit organization that provides resources to expand and enrich student learning in the Tucson Unified School District.
