Generous contributions from our sponsors enable the Educational Enrichment Foundation to purchase new shoes and socks for some of Tucson Unified School District's neediest students. Our ongoing business partner, Payless ShoeSource, provides EEF with a generous discount, allowing EEF to *stretch* our dollars.

Staff members of our TUSD family bring these most deserving children to the Payless locations and assist in the selection process along with volunteers from our gracious sponsors and EEF's Board of Directors. As an extra special treat, *eegee's provides cookies* for the students.

EEF was established in 1983 by a grant from the Ford Foundation. Its mission is: **Providing resources to expand and enrich student learning in the Tucson Unified School District.** For shoes, clothing, vision care and many more ongoing needs, tax-deductible donations can be sent to EEF, 3809 E. Third Street, Tucson, AZ 85716
